Chantilly, VA 20151

ATTN: Mark Peluso Jose Melendez

Dear Mark:

Elevation's has engaged the services of IDE on many projects over the last few years. I wanted to personally thank you, Jose and all of your staff for your consistent performance on all of the projects we have done. IDE has always gotten the projects completed and maintained a high level of quality. We would highly recommend IDE. Please feel free to use Elevations Building Company as a reference.

Sincerely,

---

Gregory W. Hanson  
President
